

Devine Memorials Ltd

Devine Memorials was founded in 1992 by current Managing Director Kevin Devine Snr at his home, and current business address.

Since that time Devine Memorials have produced almost every kind of memorial imaginable. Our experienced staff design, manufacture and install our quality memorials; handcrafted to reflect and truly commemorate the life of your loved one.

We understand the importance of a fitting tribute to a loved one, with each individual monument treated with sensitivity and respect born from years of experience.

Types of Stone

Stone is a natural material with inherent variations in colour, tonal markings and surface textures. These inherent variations cannot be controlled nor precise shade of stone guaranteed. Therefore, all displays and pictures are intended as guides only. Bespoke colours are available on request.
